2009 Leaf Drop Off Program

Collection Drop-Off Station to assist Township Residents in disposing of their leaves. The Township Board is encouraging use of this drop-off site as an alternative to open burning. The drop-off site will be located near the ball fields at Bi-Centennial Park, 8085 Byron Center Avenue SW because it is centrally located within the Township.

This service is provided for Byron Township Residents only and proof of residence may be required. The program is provided at no charge for residents. Only dry bagged leaves will be accepted. Township employees will be available to assist in placing the leaves in the compactor truck. Residents will take leaf bags back with them.

A chipper will be available on October 31 and November 7 only for branches, twigs or shrubs.

Leaves will only be accepted on these 4 Saturdays. Leaves brought at other times could lead to the end of the program.

From the Water and Sewer Department

During the later part of September and through the middle of October the Utility Authority will be doing *directional flushing* of the water-main system in various locations within the Township.

Utility System Operators will be isolating sections of the water-main by shutting down main line valves, forcing the water in one direction and flushing out at the fire hydrant locations within that section. This process typically helps with water turbidity by moving in one direction and also gives opportunity to inspect and work the fire hydrants on a particular section of water-main piping. (Residence may experience cloudy water during this time of flushing. This does not make the water unsafe to drink; flushing your faucets typically will clear out the cloudiness).

Reminder: There have been numerous reports within several counties this past summer of fire hydrants tampering; caps removed, and hydrants opened and left flowing. The use of Fire Hydrants (Ordinance Section 1305) in the township requires a Hydrant Use Permit which can be obtained at the Byron-Gaines Utility Authority Office located at 1381 84th Street S.E.

If you have any questions or want further information regarding the Utility Authorities System Operations please contact Katie Balfourt, Office Administrator, or Dan Van Dyke, Authority Manager at 971-0002 from 8:00 a.m.- 4:30 p.m, Monday –Friday.

Holiday Safety

General Holiday Safety Tips

- All holiday decorations should be non-combustible or flame-retardant and not placed near heat or electrical sources.
- Keep candles away from flammable materials like curtains, plants, and Christmas Trees—place candles where they can’t be blown over.
- Don’t forget to change your smoke detector batteries when you set your clocks back in the fall.
- Never use an oven or range as a sup-

plemental heating device. It can be a source of potential toxic fumes.

- Never store gasoline or propane in the basement.
- If there is a fire hydrant near your home please keep the hydrant clear of snow so in the event it is needed, it can be locate.

Have a Happy and Safe Holiday Season from the Byron Township and Cutlerville

Fire Departments.

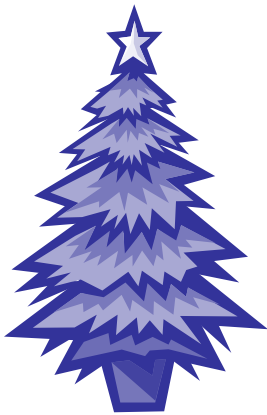

Halloween Safety

Cars, not candy should be Parents’ primary safety concern on Halloween. To help make your child’s Halloween safe, Byron Township would like to recommend the following safety precautions:

- Children under the age of 12 should have adult supervision.

- Decorated costumes and bags with reflective tape.
- Give trick-or-treaters flashlights.
- Be sure your children dress in flame retardant costumes.
- Keep candles, pumpkins with candles, matches and lighters out of the reach of children.

Christmas Safety

- Keep Christmas tree needles moist by replenishing the water supply daily. Dryness is the biggest fire safety hazard. Do not place your tree close to a heat source, including a fireplace or heat vent. The heat will dry out the tree, causing it to be more easily ignited by heat, flame or sparks.
- Check your indoor and outdoor Christmas lights each year before you use them. If there are frayed cords, exposed wires or broken sockets, replace or repair them before using. Unplug

your lights when you leave your home or before going to bed.

- Do not put wrapping paper in a fireplace or stove, it can throw off dangerous sparks.
- **NEVER LEAVE CANDLES AND CHILDREN UNATTENDED.**

Also, please make sure you have an address on your home that is visible from the street. This will help emergency vehicles find your home and save precious time.

Treasurer's Forum

Another summer is behind us and fall has begun. I hope you and your family were able to relax and enjoy the beautiful season together.

The Treasurer's Office is a little quieter these days, since the Summer Tax Cycle was over on September 14. Hopefully, you remembered to pay your property taxes. If you did forget, payments can be made to the Township until February 28, 2010. Interest of 1% will be added the first of each month on the unpaid balance. If you are in doubt if your taxes were paid, please call my office at 878-3196.

There appears to be some confusion on the tax statements. There will continue to be 2 statements per year. The only thing that moved to the summer was
