To Whom It May Concern:

In order to cut down on the number of interruptions in our work day and still provide you with the information you need, we are asking that you use the following Assessor's Office Information Request Form to request information from the assessor's office.

The parcel number is required to look up the information. Please check the boxes in front of the information needed and fax it back to us at 616-878-3980. Faxes received by 3:00 p.m. will be returned by 3:00 p.m. the following business day. If you need the information sooner, you may come to the Byron Township Assessor's office and look up the information in books available at the office counter.

Please give a copy of this form to everyone in your office who will contact us for this type of information!

There are some additional information sources that you may find helpful.

<http://www.accesskent.com/PropSearch.jsp> is an internet link to Kent County Property/Parcel Lookup. This web page will allow you to look up addresses, parcel numbers, owners, taxpayers, school districts, State Equalized Values (SEV), Taxable Values (TV), etc. for all of Kent County. Lot size and sales information is available for some records.

http://www.cis.state.mi.us/bcc/divisions/mfghsg/sr_subs.asp is an internet link to Michigan Statewide Search for Subdivision Plats. You can view and/or print subdivision plats, including lot numbers and lot dimensions. Please note that condominiums are not included in the information provided on this website.

Sincerely,

Craig DeYoung
